HSBC New Zealand Sevens 2020

The 2020 HSBC New Zealand Sevens will be hosted at FMG Stadium Waikato during Auckland Anniversary weekend (25th – 26th January) and features a new exciting tournament format with 16 Men’s and 12 Women’s teams.

Primary Purpose

This role is responsible for tracking the commercial spaces on the big screen, LED signage and PA announcements, focusing primarily on what gets missed as pertaining to the daily run sheet.

Key Tasks

- Track the Big Screen (in between game times). Example: if there are injury delays by 45 seconds during a game, that is 3 (15 second) ad spaces on the big screen that will need to get wiped from the list in order to get the next game up on time. The Commercial Inventory Analyser records who gets removed and who remains.
- Track the LED Signage (constant). Example: If the power goes out/technical issues, who was in the line-up when the power was out, so who wasn’t shown
- Track the PA Announcements (intermittent). Example: Who gets ‘accidentally’ missed, or if there is a changeover in PA’s (due to illness), is it still as per run sheet or is it changed slightly.
- Report any differences to the Commercial Manager as soon as they occur
- Keep a record of all differences which is given to the Commercial Manager at the end of each day
- Be positioned in the stadium with good view of the big screen and LED signage, able to hear PA announcements.
